

NOORDA COLLEGE
of OSTEOPATHIC MEDICINE
CONTINUING MEDICAL EDUCATION

Greetings,

The Noorda College of Osteopathic Medicine is seeking proposals from experienced leadership experts to create a one-hour video presentation on a specific leadership topic. Each video produced will be part of an ongoing Continuing Medical Education (CME) physician professional development series aimed at enhancing leadership skills of current physician leaders and fostering leadership skills of all physicians within healthcare systems, clinical settings, and their personal life.

If you or a colleague have expertise in one, or more, of the topics listed in the RFP and would like to participate in contributing to this physician leadership development program, please complete the attached Request for Proposal (RFP) and the cover sheet. Please feel free to disseminate this proposal to qualified candidates.

Please send the proposal to Marcelle Maxfield via email. If the proposal is selected, the educational video and materials need to be completed two months after the agreement is signed. Refer to the RFP for more details; and if you have any questions, please feel free to contact me.

[Link to complete the forms online.](#)

Thank you,

Marcelle Maxfield, MPC
